

Bowers & Wilkins

600 Series Anniversary Edition

For the love of music.

For decades, we have poured our passion for performance and our love of music in to everything we do, from our most affordable loudspeakers to our studio-quality 800 Series Diamond range. We want more people to hear music the way we hear music – as the artist intended. Now, our 600 Series has turned 25 – an occasion we think is worth celebrating in style.

Introducing the 600 Series Anniversary Edition.

Evolution

600 SERIES

ANNIVERSARY EDITION

A close-up, partial view of a white speaker grille on the left side of the page. The grille has a fine, woven mesh texture and is set within a white, curved frame. The lighting is soft, highlighting the texture and the smooth surface of the frame.

Why choose a 600 Series loudspeaker?

Simple: it sounds better.

Rather than prioritise design, finish or form over function, 600 Series has always focused on True Sound, first and foremost: it's utterly focused on giving you what you need to enjoy your music. In that sense, it's always been the essence of everything that we stand for, distilled into an affordable, attainable and compelling loudspeaker, just as it was back in 1995.

By choosing a 600 Series speaker you're accessing technologies used in our revered, reference-standard 800 Series Diamond range, as used in Abbey Road Studios. It's a guarantee of performance like no other.

603 S2 Anniversary Edition

The powerful 603 S2 Anniversary Edition combines the accuracy and transparency of our acclaimed Continuum mid-range cone with the scale and authority of two dedicated bass drivers. Featuring upgraded crossovers for even more transparency and a unique trim-ring to celebrate its status, the 603 S2 Anniversary Edition is the most sophisticated affordable floor-standing loudspeaker we've ever made.

Bowers & Wilkins

606 S2 Anniversary Edition

The 606 S2 Anniversary Edition is the seventh generation of our iconic 600 Series standmount speaker. The ideal combination of size and power, it blends our advanced Continuum cone with an improved crossover for even more insight in your music. 25 years on, it remains the standard for attainable performance loudspeakers.

607 S2 Anniversary Edition

Offering power and scale that belies its compact form, the 607 S2 Anniversary Edition features the Continuum cone and updated crossovers to ensure exceptional resolution and musicality. Place them on stands or on a bookshelf for fantastic stereo sound, or use them as rear speakers in a powerful home theatre system.

Stack of vinyl records on the top shelf.

Decorative ceramic items on the second shelf.

White ceramic vase and clock on the second shelf.

Left white speaker on the third shelf.

Stack of books on the third shelf.

Right white speaker on the third shelf.

Decorative items on the fourth shelf.

Pioneer hi-fi system on the fourth shelf.

Two vintage cameras on the fourth shelf.

Large decorative bowl on the fifth shelf.

Wooden crate with 'FRAGILE HANDLE WITH CARE' on the fifth shelf.

Stack of books on the fifth shelf.

Distressed wall art with 'DOG CAKE' text.

Green leather sofa in the foreground.

HTM6 S2 Anniversary Edition

Powerful enough to partner with 603 S2 Anniversary Edition and compact enough to fit with any piece of furniture, HTM6 S2 Anniversary Edition brings more realism and accuracy to your movie experience.

Bowers & Wilkins

Technology

With 600 Series Anniversary Edition, we have sought to improve both performance and finish to properly celebrate the decades of success 600 Series has enjoyed. As well as a series of cosmetic changes, 600 Series Anniversary Edition enjoys improvements to its crossover designs. Drawing on proven technology from our flagship loudspeaker range, the 800 Series Diamond, 600 Series Anniversary Edition delivers the very best in detail, power and musicality.

Layered, beautiful details.

600 Series Anniversary Edition adopts a refined and upgraded version of the proven Decoupled Double Dome tweeter, offering 38kHz breakup performance. The result? An accurate and immersive reproduction of your favourite music.

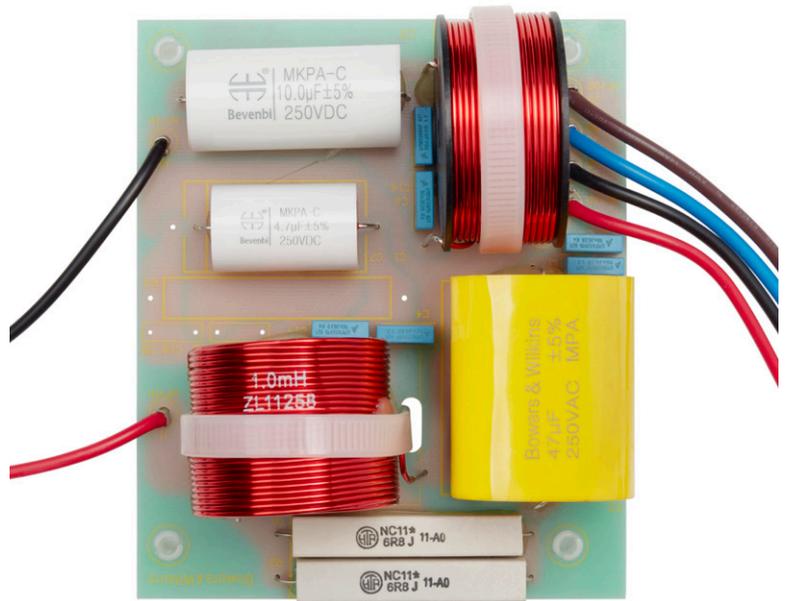

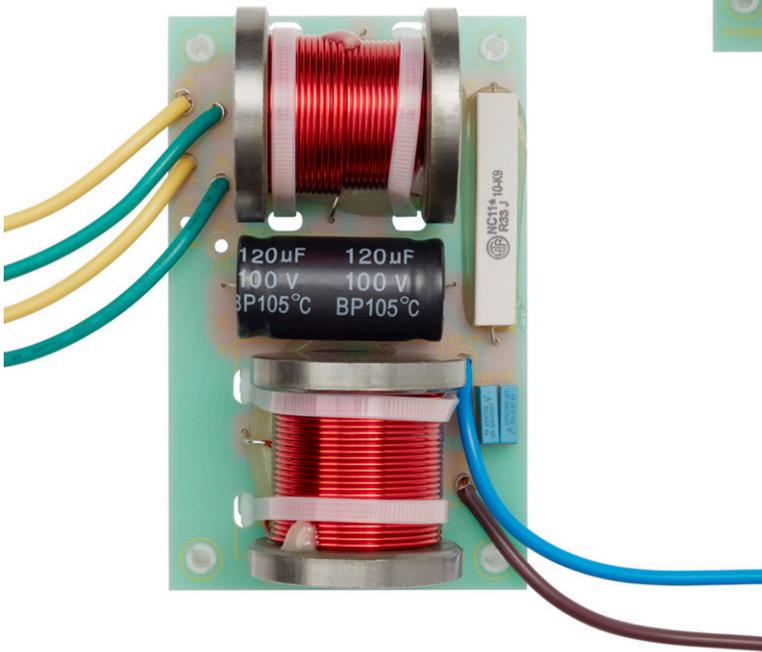

Truly amazing sound.

Voices and instruments are delivered with purity and precision, thanks to the revolutionary Continuum™ cone, as found in our flagship 800 Series Diamond. Once reserved for only our most revered models, Continuum brings you a cleaner and more accurate performance.

Upgraded and optimised crossovers.

As well as celebratory cosmetic changes, 600 Series Anniversary Edition also benefits from new optimised crossover designs featuring carefully selected components, offering greater insight from your music.

Subwoofers

The 600 Series Anniversary Edition range is complemented by three subwoofers, ranging from the compact ASW608 to the powerful ASW610XP. Each boasts a high quality, highly efficient Class D amplifier to produce powerful and controlled bass either as part of a stereo set-up or in a home theatre application.

ASW610XP

ASW610XP, the most powerful of the 600 Series subwoofers, delivers the finishing touch – or finishing thump – to a Hi-Fi or home theatre system for larger rooms.

ASW610

ASW610's long-throw 250mm driver allows it to move the large volumes of air needed for high-quality low-frequency output, and its audiophile-standard 200W Class D amplifier keeps the compact unit running cool.

ASW608

For big sound in smaller spaces, you can't beat ASW608, the most compact of the 600 Series subwoofers.

Specifications

603 S2 Anniversary Edition

Technical features	Decoupled Double Dome aluminium tweeter Continuum cone FST™ midrange Paper bass cone Flowport™
Description	3-way vented-box system
Drive units	1x ø25mm (1 in) aluminium dome high-frequency 1x ø150mm (6 in) Continuum cone FST midrange 2x ø165mm (6.5 in) Paper bass cone
Frequency Range	-6dB at 29Hz and 33kHz
Frequency Response	48Hz - 28kHz ±3dB
Sensitivity	88.5dB spl (2.83V, 1m)
Harmonic Distortion	2nd and 3rd harmonics (90dB, 1m) <1% 90Hz - 22kHz <0.5% 120Hz - 20kHz
Nominal impedance	8Ω (minimum 3.0Ω)
Recommended amplifier power	30W - 200W into 8Ω on unclipped programme
Dimensions	Height: 985mm (38.8 in) cabinet only 1055mm (41.5 in) with plinth Width: 190mm (7.5 in) cabinet only 320mm (12.6 in) with plinth Depth: 340mm (13.4 in) 370mm (14.6 in) with plinth
Net Weight	24.1kg (53.1 lb)
Boxed Weight	31.7kg (69.9 lb - single)
Finishes	Cabinet: Grille: Matte Black Black Matte White Grey Oak Grey

606 S2 Anniversary Edition

Technical features	Decoupled Double Dome aluminium tweeter Continuum cone bass / midrange Flowport™	
Description	2-way vented-box system	
Drive units	1x ø25mm (1 in) aluminium dome high-frequency 1x ø165mm (6.5 in) Continuum cone bass / midrange	
Frequency Range	-6dB at 40Hz and 33kHz	
Frequency Response	52Hz - 28kHz ±3dB	
Sensitivity	88dB spl (2.83Vrms, 1m)	
Harmonic Distortion	2nd and 3rd harmonics (90dB, 1m) <1% 100Hz - 22kHz <0.5% 150Hz - 20kHz	
Nominal impedance	8Ω (minimum 3.7Ω)	
Recommended amplifier power	30W - 120W into 8Ω on unclipped programme	
Dimensions	Height: 345mm (13.5 in) Width: 190mm (7.5 in) Depth: 300mm (11.8 in) cabinet only 324mm (12.8 in) including grille and terminals	
Net Weight	6.9kg (15.2 lb)	
Boxed Weight	16kg (35.3 lb - pair)	
Finishes	Cabinet:	Grille:
	Matte Black	Black
	Matte White	Grey
	Oak	Grey

Specifications

607 S2 Anniversary Edition

Technical features	Decoupled Double Dome aluminium tweeter Continuum cone bass / midrange Flowport™
Description	2-way vented-box system
Drive units	1x ø25mm (1 in) aluminium dome high-frequency 1x ø130mm (5 in) Continuum cone bass / midrange
Frequency Range	-6dB at 40Hz and 33kHz
Frequency Response	52Hz - 28kHz ±3dB
Sensitivity	84dB spl (2.83V, 1m)
